OBADA ABU MUSAMEH
BACKEND NODEJS DEVELOPER

ABOUT

Hi, I'm Obada, a highly motivated and experienced software engineer with expertise in MERN Stack development and web development. I specialize in building robust backend systems using Node.js, Express, and Nest.js, and developing efficient APIs using REST API and GraphQL. I'm also skilled in database design and management using MongoDB, PostgreSQL & MySQL.
I'm proficient in JavaScript, HTML, CSS, Bootstrap, React.js, Node.js and Express.js, and I'm always eager to learn new programming languages and frameworks. I'm adept at using various tools such as npm, Git, GitHub, and Postman to facilitate smooth development.
